SUBJECT: Shifts in Traffic Lane Use on Woodland Ave to Begin November 9

BY: Communications Office

Shifts in Traffic Lane Use on Woodland Ave to Begin November 9

[Duluth, MN] – Periodic shifts in traffic lane use will occur on Woodland Avenue between Calvary Road and Pleasant View Road in Duluth starting November 9, 2015, to accommodate work of Lametti & Sons to install storm sewer pipe lining along Woodland Avenue. Project completion is expected by December 15, 2015.

Questions or concerns about this project may be directed to Tom Pfeffer, City of Duluth Project Engineer, at (218)730-5104 or tpfeffer@duluthmn.gov.
